**Note: Cherokee Boarding Time is at 18:00 local time!**

We understand that you want to start your sailing holiday, but on this day we are very busy with cleaning, shopping and laundry. If you come aboard before 18:00 you will slow us down and your luggage would be in the way, also on deck. You can try to leave your luggage at the harbormaster's office. Otherwise we recommend to wait in a pub until 18:00. Thank you for your coöperation?

When you board we divide the cabins and around 19:00 we will have dinner. After dinner, the skipper explains the live onboard and gives a safety instruction. For your safety and the safety of other passengers it is important that you attend this.
